[CERCLA vs. Dept. of Defense](#)

Mr. Slimowicz is a co-founding member of WCD Capital Partners, LLC, a group actively involved in contaminated property re-development by providing targeted solutions for real estate acquisition, investment, development, and remediation management. He is a well regarded legal, insurance, and financial executive with over 19 years of industry experience.

### **About WCD Group**

WCD Group is a multi-faceted enterprise, comprised of several wholly owned businesses specializing in various aspects of the environmental industry. WCD Group is the parent organization to three individual companies operating nationally in the environmental claims, environmental consulting, remediation, restoration, construction management, and property development areas. WCD Group's companies are prepared to tackle the most challenging assignments in virtually all environmental categories from emergency response, environmental risk assessment, remediation management, claims analysis, litigation support, to redevelopment of contaminated properties. WCD has firmly established itself as a "trusted advisor" to some of the largest legal, insurance, development, and construction entities in the United States.
