

## **WCD Executive Named to NJIT Board of Trustees**

**Pennington, NJ, January 18, 2011**—WCD Group, LLC is pleased to announce that Anthony R. Slimowicz, Esq., Managing Director of WCD Capital Partners, LLC, has been appointed by Governor Chris Christie, and confirmed by the NJ State Senate, to the Board of Trustees for New Jersey Institute of Technology. The NJIT Board of Trustees is the legal governing body of the university, advising and making recommendations in such areas as school policies, resolutions, and appointments.

"WCD is pleased to learn of Anthony's appointment to such a prestigious academic establishment," remarked Chip D'Angelo, President and CEO of WCD Group, "Anthony brings a wealth of knowledge and we are confident that NJIT will benefit from his guidance."

Mr. Slimowicz was previously appointed by then Governor-elect Chris Christie to the Department of Environmental Protection Transition Team. In this capacity, Anthony was charged with reviewing current NJ environmental policies and making recommendations to create operational efficiencies, facilitate regulatory reform, and reestablish the DEP's focus on preserving, protecting, and enhancing public health and the environment.

Mr. Slimowicz is a co-founding member of WCD Capital Partners, LLC, a group actively involved in contaminated property re-development by providing targeted solutions for real estate acquisition, investment, development, and remediation management. He is a well regarded legal, insurance, and financial executive with over 20 years of industry experience.

Mr. Slimowicz received his Juris Doctor degree from Quinnipiac University and his BS degree from Seton Hall University. He is a member of both the New Jersey Bar and the District of Columbia Bar.

### **About WCD Group**

WCD Group is a multi-faceted enterprise, specializing in various aspects of the environmental industry. WCD Group is the parent organization to three individual companies operating nationally in the environmental claims, environmental consulting, remediation, restoration, construction management, and property development areas. WCD Group's companies are prepared to tackle the most challenging assignments in virtually all environmental categories from emergency response, environmental risk assessment, remediation management, claims analysis, litigation support, to redevelopment of contaminated properties. WCD has firmly established itself as a "trusted advisor" to some of the largest legal, insurance, development, and construction entities in the United States.
