

## **WCD Executives to Speak at National Brownfields Conference in Philadelphia**

**Pennington, NJ, February 28, 2011**—WCD Group, LLC is pleased to announce that Wm. "Chip" D'Angelo, President of WCD Group, LLC and Anthony R. Slimowicz, Esq., Managing Director of WCD Capital Partners, LLC will speak at the National Brownfields Conference, which is being held in Philadelphia, PA on April 3-5, 2011.

The WCD Executives will be moderating and participating in two panel discussions. The first panel, entitled "Emerging Developments in Environmental Insurance: Challenges, Trends, and the Impact on Brownfield Development," discusses and analyzes risk mitigation and insurance solutions. The Panel will include Chief Executives of many of the major environmental insurance providers impacting the marketplace today.

The second panel, entitled "CERCLA and PRP Contribution Claims: Make Cost Recovery Work for You," will explore many of the critical considerations of cost-recovery, including historical insurance, CERCLA I and claims pursuit against PRPs.

Using fact patterns from actual cases, the presenters will place attendees in the context of real decisions, providing the benefits of interesting discussion, incorporation of real-world factors, and the ability to see actual outcomes.

### **About WCD Group**

WCD Group is a New Jersey-based enterprise that mitigates and manages environmental risk in the real estate and construction industries. WCD Group is the parent organization to three individual companies operating nationally in the environmental remediation and construction management, and property development areas.

WCD has firmly established itself as a "trusted advisor" to some of the largest legal, insurance, development, and construction entities in the United States.
